MEMORANDUM

DATE: September 15, 2003

TO: Lyle Oda
Airports Division
Department of Transportation

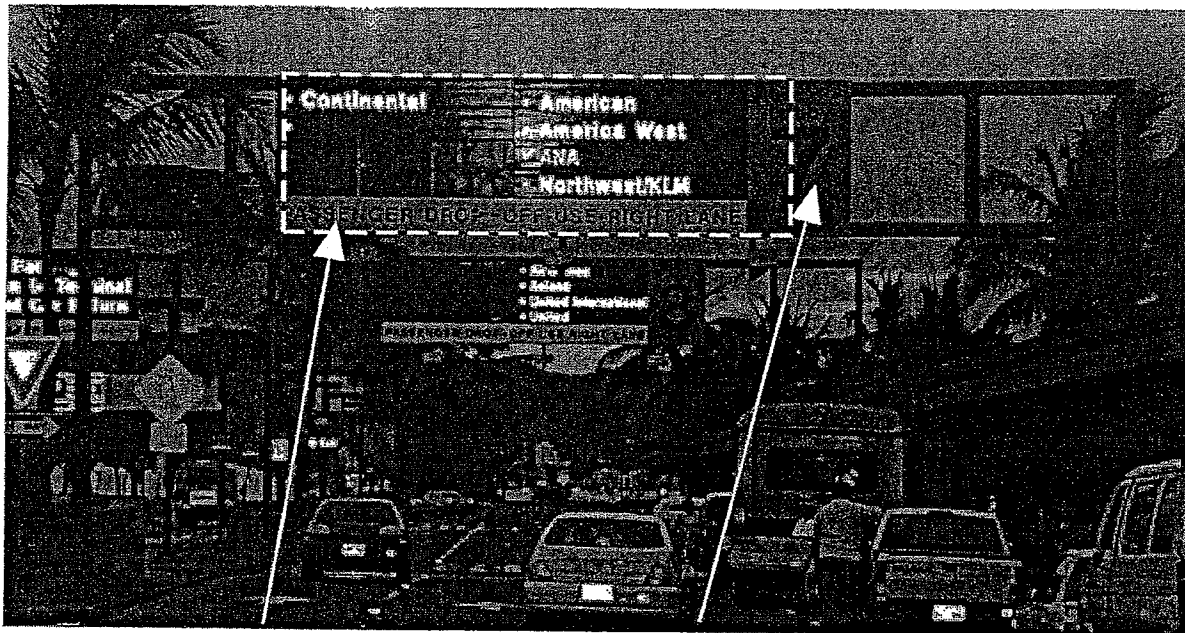

FROM: Ken Kwock

SUBJECT: Signage and Graphics, Phase IV-A
Honolulu International Airport
State Project No. 1092-16

The Airline Names on the overhead Lobby Signs on the departure level of the main terminal are on removable panels, 1'2" x 8'-0". To add an airline name, remove the panel, add the airline name and re-install. The airline name lettering should be black vinyl film conforming to paragraph B.1.b on page 5 of Section 10430 of the Specifications.

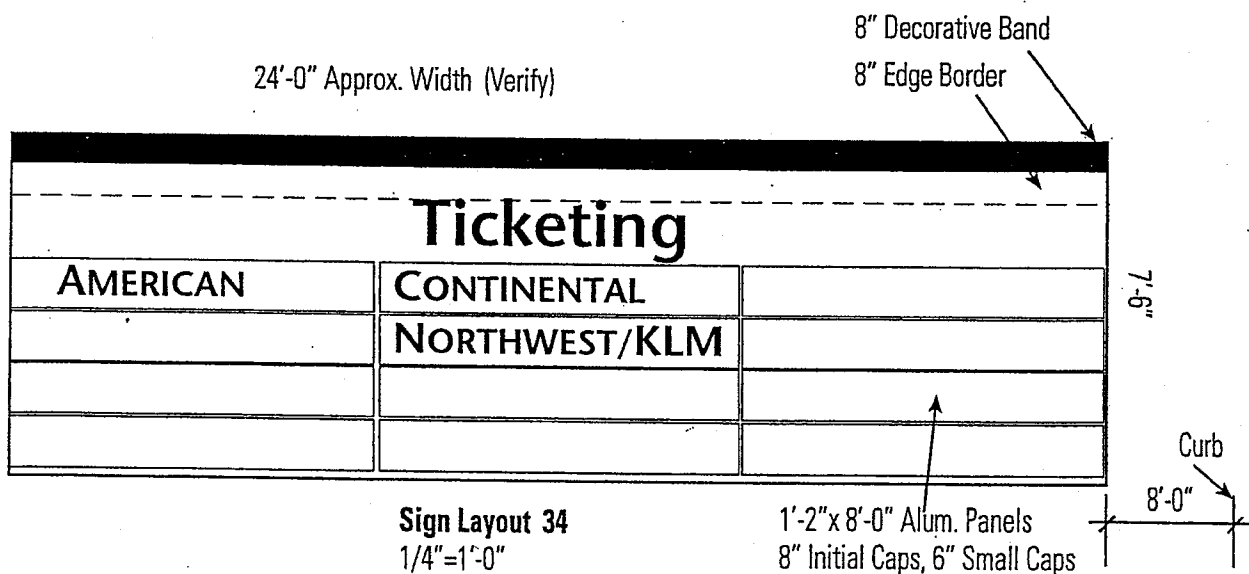

See attached page 5 of Section 10430 of the Specifications and Exhibit 35, Sign 34 for more details.

Call if you have any questions.

Proposed Sign
Location: Dashed Line

Existing Sign
to be removed.

Note: Removable Panels show Airline names at time of design, to determine quantities.
Obtain final airline names for each sign from Owner, and submit layouts for approval by Engineer.
